

CONRAD TO HOLD SECOND ANNUAL STUDENT GOVERNMENT DAY MARCH 2

Mr. Schaefer Proves Versatile Instructor

We at Conrad now welcome—however late it may be—a very versatile man to our faculty. Mr. Schaefer, one of our science teachers

Bud Bossert Commended; New Drum Major Sought

Harry Bossert, Conrad's drum major, is to be commended for the fine way he has handled the band throughout its marching season. As this is Harry's last year at Conrad, Mr. George is looking for a tall boy to learn the art of drum-majoring this second semester in order that he may carry on Harry's work next year.

Upper Classmen to Substitute For Faculty

Now we, the students, get our chance! On Friday, March 2, the control of the school falls temporarily into the hands of students. This is the second time in as many years that the Student Government Day idea has gone into effect here at Conrad. Its purpose is to give those upper classmen interested in a teaching career a chance to go through a school day as a member of that profession.

The requirements—as listed by Mr. George are "height, leadership ability, and dependability." No twirling experience is necessary as the new major will learn baton techniques during the second semester under Harry's supervision.

The event will take place under the auspices of the Student Council, the Future Teachers Club, and the Oreads. Phyllis Schulman, Joan Watson, and Detta Amabili, presidents of these organizations, will select the students to substitute for the various teachers, with the help of a committee including Carolyn White, Harold Henderson, and Tom Watson.

Something New Has Been Added

Step on it! Sure — why not? That's what it's there for.

What are we talking about? Why, the new cafeteria floor. Looks pretty sharp, too, don't you think? And it's a lot easier to keep it that way than it is to mar it.

The cafeteria has definitely had its face lifted. It is now a place where anyone should be glad to eat, and a place of which all Conradians should be proud.

As is customary, the post of Principal is taken over by the president of the Student Council, the Dean of Girls by the secretary of the Student Council, and the Dean of Boys by the president of the Senior Class. These offices will be filled by Phyllis Schulman, Carolyn
